## Senior Manager of Valuation – Oil & Gas Specialist

Full Time: Professional

Southlake, TX, US

**Salary Range:** \$120,000.00 To \$220,000.00 Annually

**Job Title:** Senior Manager of Valuation – Oil & Gas Specialist

### Why You Want to Work With Us

At ValueScope, a division of **Marshall & Stevens**, we are a leading financial valuation firm dedicated to delivering comprehensive valuation, financial analysis, and consulting services across a range of industries, with a special focus on the oil and gas sector. Our expertise in asset-intensive industries like energy allows us to provide clients with the highest level of service and insight.

As part of the **Marshall & Stevens** family, we operate with an entrepreneurial mindset, continually growing and innovating to meet the needs of our diverse clientele. We thrive in a fast-paced, dynamic environment where your contributions will have a direct impact on both the business and the industry. If you're looking for a place to grow your career, collaborate with top-tier professionals, and help shape the future of valuation services in the energy sector, ValueScope is the place for you.

### What This Role Will Do

As a *Senior Manager of Valuation – Oil & Gas Specialist*, you will:

- Lead and manage complex valuation engagements focused on oil and gas assets, including reserves, production infrastructure, and energy-related projects.
- Develop advanced financial models, including discounted cash flow (DCF) analyses and market comparables, to value oil and gas reserves, production, and infrastructure.
- Supervise, mentor, and manage a team of valuation professionals, ensuring the timely and accurate delivery of high-quality valuation reports.
- Oversee client relationships within the oil and gas sector, serving as the primary point of contact for key engagements.
- Review valuation reports, financial analyses, and presentations to ensure compliance with industry standards and regulatory requirements.
- Stay informed of the latest trends, regulatory updates, and emerging valuation methodologies in the energy sector.
- Support business development by identifying opportunities to expand the firm's presence in the oil and gas industry, preparing proposals, and attending client meetings.
- Collaborate with finance, legal, and tax professionals to support client objectives and ensure the successful completion of valuation projects.

**VALUESCOPE**

a **marshall + stevens** company

## Key Responsibilities

- Manage and deliver business valuations, financial modeling, and transaction advisory services for oil and gas assets.
- Build and maintain relationships with clients in the energy sector, ensuring client satisfaction and project success.
- Lead and develop a team of associates, providing guidance and mentorship on valuation best practices.
- Identify and develop new business opportunities within the oil and gas industry.
- Provide expert insights into oil and gas valuations, including reserve valuations and energy production analyses.

## What Makes You Successful in This Role

- Bachelor's degree in Finance, Accounting, Economics, or a related field; Master's degree or MBA preferred.
- Professional designations such as CFA, CPA, ASA, ABV, or CVA are strongly preferred.
- 5+ years of experience in valuation, financial modeling, and consulting with a focus on oil and gas assets.
- Strong knowledge of oil and gas valuation methodologies, including reserve valuation and cost segregation.
- Proven leadership and team management experience, with a track record of delivering successful valuation projects.
- Excellent communication and relationship management skills, with the ability to effectively engage with clients and stakeholders in the energy sector.
- Ability to multi-task and manage multiple projects while maintaining high quality standards.
- **Entrepreneurial spirit:** You thrive in a fast-paced, high-growth environment, rolling up your sleeves both strategically and tactically to drive results.

## Why You'll Love It Here

At ValueScope, you'll enjoy:

- Competitive salary with performance-based bonuses.
- Comprehensive benefits including health insurance, retirement plans, and paid time off.
- A collaborative, entrepreneurial environment with direct access to senior leadership.
- Opportunities for professional growth, including mentoring and training programs.
- Work with a diverse client base across the energy sector, including oil and gas, renewables, and infrastructure.

**How to Apply:**

- If you are ready to grow with us, please submit your resume, cover letter, and relevant certifications to [info@valuescopeinc.com](mailto:info@valuescopeinc.com) or [kbulls@valuescopeinc.com](mailto:kbulls@valuescopeinc.com)
